

# ADVENTURE AWAITS!

## INSTRUCTIONS

1) download the Avenza Maps App onto your mobile device

2) click the "+" tag in the upper right corner in the app

3) open the geo-referenced map you prefer

BCT Maps Available

AEP Maps Available

4) copy the URL and paste into Avenza

5) repeat steps 2-4 for a total of three (3) free maps

6) most phones have an embedded GPS to determine your exact location even when not connected to a cellular network. Avenza depends on this hardware to support basic navigation. Enjoy and explore!
