

Bragg Creek Trails Association (BCTA)/Elbow River Watershed Partnership (ERWP) Partnership Agreement

Dated: June 7, 2024

The ERWP and the BCTA agree to work in partnership and collaborate on joint initiatives in the Bragg Creek area subject to availability of resources.

Joint BCTA/ERWP initiatives will focus on watershed protection, stewardship projects including restoration and enhancement, weed and vegetation control, and public education on these issues.

Joint BCTA/ERWP initiatives and projects will be based on peer reviewed science, best practices and practical experience.

Consensus decision making will be used whenever possible

The ERWP will have a representative on the BCTA Environmental Stewardship Committee (ESC) and provide input to annual BCTA project plans and project updates.

The BCTA and ERWP will strive to provide financial and human resources to relevant initiatives, to help ensure their success.

Approved for BCTA:

Mike Duszynski, Executive Director, BCTA

Approved for ERWP:

Flora Giesbrecht, Executive Director, ERWP
